ABOUT THE PROGRAM

May 12th is a joyful opportunity for the mathematical community to celebrate women in mathematics. The celebration takes place every year, all around the world. The goal of the day is to inspire women everywhere to celebrate their achievements in mathematics, and to encourage an open, welcoming and inclusive work environment for everybody. May 12 is the birthdate of Maryam Mirzakhani, the first woman mathematician to receive the Fields Medal.

CWM is the committee of the IMU concerned with issues related to women in mathematics worldwide. [May 12, Celebrating Women in Mathematics](#) is a joint initiative of European Women in Mathematics, the Association for Women in Mathematics, African Women in Mathematics Association, Indian Women and Mathematics, Colectivo de Mujeres Matemáticas de Chile and the Women's Committee of the Iranian Mathematical Society

We at MPSTME are organising an event “**Celebrating Women in Mathematics**” on Tuesday, May 12, 2020. The program includes *an introductory talk by Dr. MINIRANI S on “Women in Mathematics”* followed by the *screening of the movie: “Secrets of the Surface”*.
