

CELEBRATING WOMEN IN MATHEMATICS

SCHOOL OF MATHEMATICS, IISER TVM

Maryam Mirzakhani the first woman fields medalist was an Iranian mathematician and professor at Stanford University, known for her groundbreaking work in geometry and dynamical systems. May 12, her birthdate is chosen as a joyful opportunity by the mathematical community to celebrate women in mathematics.

PROGRAM

2.30 - 3.30

Celebrating Women in MATHS

Life Sketches of a few well known
Women Mathematicians by
(Dr. Shrihari Sridharan, Dr. Mitra Koley,
Ms. Tooba Shaikh, Ms. Dimpi K M)

3.30 - 3.45 Tea Break

3.45 - 4.30

Seminar : Prime producing polynomials

(Dr. Jyothsna Sivaraman)
